Dear Mr Rahman

I am pleased to inform you that the Australian High Commission, Dhaka is inviting applications for its Direct Aid Program (DAP) 2017-18. The DAP is a flexible small grants scheme funded by the Australian Government. The aim of DAP is to advance development objectives and address humanitarian hardship in developing countries.

DAP is available on a not-for-profit basis to individuals, community groups, NGOs and other entities engaged in development activities in countries that are eligible for overseas development assistance. The Program focuses on supporting small-scale development projects and activities that involve the beneficiaries in the identification, design and management of the projects.

The guidelines and the application forms are available on the Australian High Commission website: [www.bangladeshembassy.gov.au](http://www.bangladeshembassy.gov.au)

I attach a copy of the application announcement and DAP guidelines to this letter for your information. I would be grateful if you could place the announcement on your notice board and circulate it to local NGOs.
